

Dear Registrant,

If you wish to restore your expired domain name so that it is not deleted from the Verisign Global Registry, an administration fee of USD\$100, (plus GST) is payable to have it manually reinstated. This cost is a registry fee for the restoration and renewal. It is not a Bottle Domains fee. If you do not wish to pay the restoration fee, your domain name will be deleted 35 days after commencement of the redemption period.

If you wish to pay this fee and redeem your expired domain, it will be placed into "active" status within 24 hours and renewed for another year.

If you wish to proceed with the restoration, please complete this form and fax to +61 3 8080 1623.
